

**PRE-OP VEIN PROCEDURE INSTRUCTIONS**

1. Please arrive 30 minutes before your procedure time. If you are uncertain about what medications to take or are given any conflicting instructions please call our office.
2. DO NOT have anything to eat or drink after midnight the night before your procedure, If you are having a closure or venous ablation done, you should take your medications as directed with sips of water in the morning.
3. Wear loose fitting clothing (as you will be bandaged), such as sweat pants, shorts, ect... wear easy to put on shoes, for example slip-ons. Wear an old pair of underwear to throw away because they will get iodine on them and bring an extra pair to change into after your procedure.
4. Have someone to drive you to and from your appointment.
5. Please remind us of your daily medications and any medication allergies you may have.
6. If you are on Coumadin or Diabetes, please notify the staff.
7. If you have a heart condition or have a pacemaker, please notify our staff.
